

Parent to Parent Tips- SCE PTO

Back to School Night- New families

How exciting that school is right around the corner! You won't want to miss Back to School Night! Be on the look out for a postcard sized mailer from the school with details about when to attend and what to bring.

Class lists will be posted on either side of the front doors of the building beginning the Friday before Back to School Night. If you get a chance to stop by the school over the weekend you can find out who your kiddo's teacher will be, or you can find out at back to school night by checking the lists by the front doors.

Bring your child and school supplies with you to Back to School Night. This will be a great opportunity for child to check out their classroom, meet their teacher and be inside the school.

It will be a busy place with lots of families- but don't feel rushed by the hustle and bustle! Feel free to take a look around the school after you've met your teacher and take it all in.

Upon entering the building through the front doors, take the hallway to the right to find the kindergarten, 1st, 2nd and 5th grade classrooms. The hallway to the left leads to 3rd & 4th grade classrooms. Don't hesitate to ask someone for help if you aren't sure where you're headed.

Next is onto your child's **classroom!** You will have the opportunity to meet your teacher, find out where your child will be sitting, and get familiar with the classroom. Drop off your **school supplies** where specified by your teacher and be prepared to **spend up to 30 minutes filling out paperwork**. Also, your teacher may have a place to sign up for classroom involvement, volunteering, party help, etc. Be sure to check in with your teacher before you leave to give them your paperwork (& maybe take a picture with them) and say "see you on the first day!" Welcome to Silver Creek!
