

Parent to Parent Tips- SCE PTO

First Day of School

Our entire school community shows up in force for the first day of school. All students will parade into the school, one grade at a time, being cheered on the entire way.

Kindergarten students will meet up with their teacher in front of the building near the parking lot- straight out from the front door (by the flagpole). *Afternoon kindergarten families should inquire about First Day start time with your teacher at Back to School night.

All other students will line up by grades on the black top on the south side of the building. Teachers will have signs with grade numbers listed to help students find their group.

Parking will be challenging, as the parking lot will be closed and many people will be there dropping kids off, so plan for a few extra minutes to find a spot in the neighborhood and walk to the school.

Students will parade into the front doors of the school one grade level at a time starting with kindergarten and ending with 5th grade.

Have your camera handy to capture this special moment- they're going to have a great first day!
