

HELLO THIRD GRADERS!!

Who's ready to go on some "stay at home" adventures with your teacher?

Well, we can do this while staying safe with your very own Tiny Teacher. I've attached a Tiny Mrs. B. to this email. All that you have to do is take Tiny Mrs. B. along on your adventures while at home and post pictures of you and Tiny Mrs. B. on our class [Tiny Mrs. B.'s Adventures Padlet](#) page. The padlet link will also be on our website.

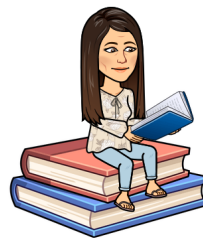

Just print the next page, cut me out, and lets go! (if you don't have a printer, let me know and I'll send you a Tiny Mrs. B. in the mail.)

I can't wait to see what fun adventures I'll get to go on.

Some adventures may include:

- reading with me
- taking a walk
- doing chalk art
- working on online learning
- cooking in the kitchen
- doing your chores
- walking the dog
- playing with pets
- playing a board game
- Exploring outdoors
- writing a letter

Be CREATIVE and HAVE FUN!!

Be sure to add a picture of our adventure to Padlet!!
