

HELLO THIRD GRADERS!!

Who's ready to go on some "stay at home" adventures with your teacher?

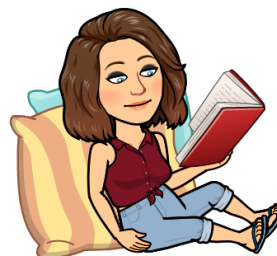

Well, we can do this while staying safe with your very own Tiny Teacher. I've enclosed a Tiny Mrs. St.Onge in your goodie bag. All that you have to do is take Tiny Mrs. St.Onge along on your adventures while at home and post pictures of you and Tiny Mrs. St.Onge on our class [Tiny Mrs. St.Onge Padlet](#) page. The padlet link will also be in Schoology.

I can't wait to see what fun adventures I'll get to go on.

Some adventures may include:

- reading with me
- taking a walk
- doing chalk art
- working on online learning
- cooking in the kitchen
- doing your chores
- walking the dog
- playing with pets
- playing a board game
- writing a letter

Be CREATIVE and HAVE FUN!!

Be sure to add a picture of our adventure to Padlet!!
